Wood Project

	Did not meet 1 pts	Working Toward 2 pts	Meeting 3 pts	Exceeding 4 pts	Grade Earned (N/A)
Following Plans and Instructions	Did not meet  Plan was not referred to. Student relied on the teacher for all measurements and instructions.	Working Toward  Plan was not regularly referred to. Student required additional explanation even after teacher feedback and instruction was given.	Meeting  Steps and processes were followed in a fashion that could be completed independently without additional explanations. A small amount of teacher help was needed to accomplish this.	Exceeding  Steps and processes were followed in a fashion that could be completed independently without additional explanations. NO teacher help was needed to accomplish this.	Grade Earned
Measurement/Drilling	Did not meet  No attention to measurements. Very little accuracy in following plans.	Working Toward  A few measurement errors. Plans not followed closely. Many steps done incorrectly.	Meeting  Several minor measurement errors. Plans were followed with just a few errors in the sizes of 1 or 2 parts	Exceeding  Measurements are accurate. The parts of all the pieces are within the required tolerance.	Grade Earned
Bandsaw Work	Did not meet  Cuts not square.	Working Toward  Some cuts are square. Dowels show excessive glue amounts when assembled	Meeting  Some minor errors in cuts or joint fit. Overall the fit is correct.	Exceeding  Cuts accurate. Parts fit together accurately showing no signs of mistakes.	Grade Earned
Sanding	Did not meet  Large scratches or gouges in wood surface. Sanding across grain is	Working Toward  Some large scratches are visible. Some cross grain	Meeting  Smooth finish. Some cross grain sanding visible in a few spots.	Exceeding  Smooth finish on the entire project with no visible scratches.	Grade Earned

	obvious. Not sanded to the proper grit paper. Pencil marks not sanded off.	cross grain sanding may be visible. Visible signs of pencil marks remain.	Pencil marks removed.	Obvious care has been taken to bring the project to a high quality finish.	
Safety	Did not meet  Student neglects to use proper safety equipment and is careless in the work. Does not keep area neat and organized.	Working Toward  With prompting, student uses safety glasses, removes loose clothing and ties up hair. Student is not consistent about safe work habits and does not provide an acceptable effort to clean up at the end of class.	Meeting  Student usually uses safety glasses, removes loose clothing and ties up hair. Student is consistent about safe work habits and provides an acceptable effort to clean up at the end of class.	Exceeding  Student always uses safety glasses, removes loose clothing and ties up hair. Student is consistent about safe work habits and always provides an effort to clean up at the end of class.	Grade Earned
Craftsmanship	Did not meet  Project has many errors. Student did not apply given talent.	Working Toward  Project has few minor errors. Student applied given talent to satisfactory standards.	Meeting  Project built to quality standards.	Exceeding  Project built to detailed standards. The final product is exceptional.	Grade Earned
Time Management	Did not meet  Was unable to adequately meet timeline.	Working Toward  Procrastinated somewhat but did get the job done on time.	Meeting  Used time fairly well throughout the project.	Exceeding  Routinely used time well throughout the project to get the job done.	Grade Earned
