Student: _____

Grade: _____

find rubric

Rubric: Ultimate Teens Space

Students will create a 3D design of the ultimate teens space with the use of the program Sketch up

Options

<div style="display: flex; justify-content: space-between; align-items: center;"> Sketch Up House </div>				
	Exceeds 4 pts	Meets 3 pts	Working Toward 2 pts	Does not Meet 1 pts
Design Criteria	<p style="text-align: center; font-weight: bold;">Exceeds</p> <p>Assignment was followed. The final design was drawn with the use of Sketch up program and tools. Perspective was used correctly. Considerable extra details were added to the basic assignment</p>	<p style="text-align: center; font-weight: bold;">Meets</p> <p>Assignment was followed. Project was drawn with the use of Sketch up program and tools. Perspective was used correctly. Some extra details were added to the basic assignment</p>	<p style="text-align: center; font-weight: bold;">Working Toward</p> <p>Assignment was partially followed. Project was only partially drawn with the use of Sketch up program and tools. Perspective was not used correctly. Few extra details were added to the basic assignment</p>	<p style="text-align: center; font-weight: bold;">Does not Meet</p> <p>Assignment was not followed. Project was not drawn with the use of Sketch up program or tools. Perspective was not used correctly. No details were added to the basic assignment</p>
Planning and Details	<p style="text-align: center; font-weight: bold;">Exceeds</p> <p>Mastery of Color and use of tools</p>	<p style="text-align: center; font-weight: bold;">Meets</p> <p>Color and use of tools is in</p>	<p style="text-align: center; font-weight: bold;">Working Toward</p>	<p style="text-align: center; font-weight: bold;">Does not Meet</p> <p>No Color and use of tools is in</p>

	is in evidence in drawing. Considerable Time and Effort is shown in planning and details of drawing	evidence in drawing. Time and Effort is shown in planning and details of drawing	Little Color and use of tools is in evidence in drawing. Little Time and Effort is shown in planning and details of drawing	evidence in drawing. No Time and Effort is shown in planning and details of drawing
Creativity	Exceeds Final design is outstanding evidence of artists personality and creativity. Craftsmanship is exceptional with evidence of great skill	Meets Final design has evidence of artists personality and creativity. Craftsmanship shows evidence of skill	Working Toward Final design shows little evidence of artists personality and creativity. Craftsmanship shows some skill	Does not Meet Final design shows no evidence of artists personality and creativity. No Craftsmanship is shown and no skill is in evidence
Knowledge	Exceeds Drawing shows exceptional useage of Sketch up tools. Shows understanding of perspeccive and can demonstrate usage of different tool with in the program	Meets Drawing shows considerable useage of Sketch up tools. Shows understanding of perspeccive and can demonstrate usage of different tool with in the program	Working Toward Drawing shows some useage of Sketch up tools. Shows some understanding of perspeccive and can demonstrate some usage of different tools with in the program	Does not Meet Drawing does not shows useage of Sketch up tools. Shows little or no understanding of perspeccive and can demonstrate little usage of different tools with in the program
